# Name Based Canadian Criminal Record Check

**Name:**             TESTLAST,TESTFIRST

**Other Name(s):**    TESTMIDDLE TESTOTHER

**Gender:**           Sample Gender

**Date of Birth:**    Sample Date of Birth

**Place of Birth:**   TESTVILLE, TESTCOUNTRY

**Date Criminal Record Check Completed:** January 13, 2026

**Results:**

Based solely on the name(s) and date of birth provided, and the criminal record information declared by the applicant, a search of the RCMP National Repository of Criminal Records did not identify any records with the name(s) and date of birth of the applicant. Positive identification that a criminal record does or does not exist at the RCMP National Repository of Criminal Records can only be confirmed by fingerprint comparison. Delays do exist between a conviction being registered by court, and the details being accessible on the RCMP National Repository of Criminal Records. Not all offences are reported to the RCMP National Repository of Criminal Records.

## Verify the Authenticity of this Document

Sample Signatory

# Name Based Canadian Criminal Record Check

**Verify the Authenticity of this Document**

The results are based solely on a search using the name and date-of-birth of the individual. Positive identification of an individual can only be made through the submission of fingerprints. Before relying on the results noted on this you must do the following:

1. **Verify that the name and date-of-birth of the individual matches what is shown on this document.** To complete this verification, visually inspect at least one original piece of government-issued photo identification from the individual.

2. **Verify the integrity of this document.** To ensure that this document has not been modified or tampered with, please visit **www.mybackcheck.com/public/authenticate** and enter the following Document Serial Number: **TEST-SERIAL-NUMBER**. After entering the Document ID the system will display an electronic copy of the document as originally issued. The identity and results on this document must be identical to the electronic copy.
